at The Capital

BYO JANUARY & FEBRUARY 2019 AT OUTLAW'S

Every Monday to Thursday this January and February, excluding February 14th, at both lunch and dinner, you are invited to bring your own wine when dining at Outlaw's.

We have just a few rules that need to be followed:

CORKAGE FEES:

There will be no corkage fee on your first bottle of wine per two guests.

Additional bottles will incur a corkage fee of £35.00 per bottle.

Our sommelier would be delighted to help choose further wines to complement your choice from our own cellars.

ETIQUETTE:

To keep this privilege we request you do not bring boxed wine, beer, cider, spirits or magnums.

Bottles of wine and champagne must be declared to the restaurant manager at the start of the meal who will serve the wine as we would wine from our own list. The sommelier is there to help and would be delighted to engage in discussion on your choice.

This arrangement applies only to the restaurant area of the hotel and BYO cannot be consumed in the bar.

MINIMUM SPEND:

Diners are required to order 2 courses per person.

MAXIMUM TABLE NUMBERS:

Up to 8 guests.

MAKING A RESERVATION: 020 7591 1202 outlaws@capitalhotel.co.uk

Should your wine require decanting or chilling prior to the time of your booking, please arrange these in advance with the restaurant. We will do our best to accommodate all requests. We advise booking in advance.

Please be advised BYO cannot be taken in conjunction with any other offers or Outlaw's Grub Club discount.
